

Housing Development Consortium of Seattle-King County

2025 SPONSORSHIP OPPORTUNITIES

"Our region has led the nation in showing how collaboration can make us more effective as advocates, as funders, and as developers, and at the heart of that leadership is the Housing Development Consortium."

– Dow Constantine, King County Executive

ABOUT HDC

As an advocate, broker, and convener of and for our 215+ members, the Housing Development Consortium of Seattle-King County has supported and inspired our expanding member base for 37 years. Together, our members work collaboratively to meet the housing needs of people with limited incomes throughout the region.

Our Vision

All people throughout King County live with dignity in safe, healthy, and affordable homes

Our Mission

Build, sustain, and inspire a diverse network committed to producing, preserving, and increasing equitable access to affordable homes

Dear Friends,

As we reflect on the past year, we have been so fortunate to work alongside amazing members and partners who continue to strive toward and believe in a vision where King County is affordable, accessible, and inclusive to all.

We have accomplished so much together in 2024, from the historic launch of the first-in-the-nation Covenant Homeownership Program to robust state investments in affordable housing and supportive services. We have played a pivotal role at both local and county levels having successfully supported Seattle Design Review reform, successfully secured \$14M in flexible operational funding from the City of Seattle, and advocated for bold comprehensive plans across East King County. Simultaneously, our Housing Development Internship Program has experienced substantial growth, attracting, training, and retaining students from diverse racial and socio-economic backgrounds, opening doors to opportunities within the affordable housing sector.

While there is much to celebrate, we also have much work ahead. That's why it is important to come together as a strong and united sector of peers, partners, and collaborators, to learn from each other, mobilize around shared goals, and strengthen the foundation of our association in the face of uncertain times ahead.

When we were founded in 1988 by 10 non-profit housing providers, it was a different time and place. But the need for housing continues to grow, and so do we. Now we number nearly 220 members representing all facets of the affordable housing sector, including developers, owners, managers, housing authorities, major financial institutions, community-based organizations, architects, contractors, accountants, and government agencies. As we continue to implement the goals of our strategic plan with a renewed purpose that aligns with our mission and vision, we are living in a clear and compelling manner the values, aspirations, and commitments of our association.

We are a movement with a single common purpose and your sustained commitment is essential to the progress we've made in creating access to affordable housing across our region. We don't want to miss giving you the opportunity to be front and center with us during this momentous year!

Please review the sponsorship opportunities and benefits below and contact loren@housingconsortium.org if you are interested in sponsoring or have any questions about events or programs.

In sincere gratitude,

Patience Malaba
Executive Director
Housing Development Consortium
